Recycling in the Verde Valley

As of May 2nd, 2022, the recycling sites in Cornville at the Cornville Mercantile and in Village of Oak Creek at Clark's Market will no longer be accepting materials for recycling. While the long-standing contracts between the County and Sedona Recycles to manage these facilities were renewed in late 2021, Sedona Recycles exercised their contractual right to issue a 30-day notice to the County stating their intent to terminate these contracts, effective May 2nd, 2022. Yavapai County will continue to explore other avenues to promote recycling in the Verde Valley, but in the meantime, there are private options for recycling available in the area.
